Dear Parents and Carers,

The safety and well-being of every child is our highest priority. We take all safeguarding concerns extremely seriously and have robust procedures in place to ensure that any concerns raised are responded to promptly, appropriately, and in accordance with statutory guidance.

You may be aware of recent comments circulating on social media regarding safeguarding within our school. We understand that such comments may cause concern, and we would like to take this opportunity to reassure you about the measures we have in place to ensure the safety of all children.

We encourage anyone who has concerns about a child's safety or well-being to contact the school as soon as possible. Early communication enables us to investigate thoroughly and take any necessary action. Concerns can be shared with our Designated Safeguarding Lead, Deputy Designated Safeguarding Leads, or any member of staff with whom you feel comfortable speaking. All concerns are recorded and followed up in line with our safeguarding procedures.

We are proud that our pupils are safe, happy, and engaged in their learning. Our safeguarding practices are regularly scrutinised and validated by external agencies, including the local authority, Ofsted, and Portico Trust. We remain committed to continually reviewing and strengthening our procedures.

We recognise the trust that you place in us each day when your children come to school. Please be assured that we will always act in the best interests of our pupils and work diligently to provide a safe, nurturing environment in which they can thrive.

Should you have any questions or concerns, please do not hesitate to contact the school directly.

Yours sincerely

Miss D Henley
